

Microlights – in the CZE are microlights understood and described in the Civil Aviation Act as sport flying equipment and includes following classes:

1. RAL Microlights
2. RWL Microlights
3. RGL Microlights
4. RPF paramotors
5. RPL paramotors
6. Microlight helicopters
7. Microlight 3 axes gliders
8. Hang gliders
9. Paragliders
10. Homebuilt two seat airplanes up to 600 kg (US LSA, EU ELSA)

Based on the Czech Civil Aviation Act, Ministry of transport entrusted the Czech Light Aircraft Association (LAA CR) for all administration inclusive issuing of pilot licenses, airworthiness certificates, instructor ratings etc. in name of the Czech Republic.

LAA CR is a confederacy of pilots, builders and producers of aircrafts. In 2014 LAA CR has round 7 000 active members, during last 20 years were registered 28 000 members. Membership in LAA is not a condition for issuing of any license or certificate; this is provided for all people in the CZE.

Basic numbers

	No of pilots	No of ACFT with valid AC	New in 2014
RAL Microlights	4.299	1488	53
RWL Microlights	460	223	13
RGL Microlights	77	28	7
RPF and RPL Paramotors	1.014	732	78
sum	5850	2471	151

Incidents, accidents and fatal accidents

In 2014 were registered 27 incidents and accidents. 2 accidents were with serious injury, 4 accidents were fatal.

Sport activity:

RAL, RWL and RGL class:

IN the CZE were organized 11 competitions on national level (THE PETR TUCEK'S CUP – Petr Tucek was founder of the LAA CR) where over 150 pilots and copilots participated. This cup was founded for education of young pilots and beginners.

Rules are basically the same as in the sec 10, but with exemption of tasks with limited fuel and without breaking in the deck. In navigation are prohibited irregular curves and illusory markers and photos. Gates are of radius 500 m.

NAC fully by sec 10 rules was organized, 18 RAL2 airplanes and 6 RWL airplanes participated.

Czech national team participated in WMC 2014 in Matkopuszta, hungary. In the national team were 5 RAL 2 airplanes, 3 RWL2 and 1 RWL1 airplanes.

Petr Chvojka and Ladislav Teply won gold medal in RWL2 class and Czech team achieved 4. and 9. position in this class, in RAL 2 were achieved 4., 7.,8.,9. and 10. positions. In RWL1 was our pilot 7.

In the Teams ranking was CZE third.

Colibri badges.

5 bronze badges, 5 silver and 1 gold Colibri badges were achieved.
