

# CIMA JURY PRESIDENT REPORT FORM

The INTERNATIONAL JURY MEMBERS HANDBOOK describes the various reports a Jury President is required to send to FAI immediately after the event. In CIMA sanctioned events this form **replaces** Appendix D "REPORT BY THE JURY PRESIDENT TO THE AIR SPORT COMMISSION". The reason is primarily so FAI knows the exact number of participants in Microlight or Paramotor championships for the purposes of calculating the balance of the sanction fee to be paid.

Please send a copy to FAI Secretariat with the other forms AND a copy to the CIMA President and/or Bureau.
