Basis for the German Microlight Championship is the FAI Sporting Code Section 10. 12 Teams are qualified for FAI World and European Microlight Championships 2019 and 2020. 2 of the 12 qualified teams have participated at the EMC 2019 in Lithuania.

The German Microlight Championship is open for participants from other countries. Teams from abroad could compete under special conditions. This year there was no partaking team from abroad.

The competition is held at a different location across Germany every year. Therefore, regularly about 25 percent newcomers join the competition. Some of them participate for several years, for some it is a one time experience.
