

## **CIMA Plenary 2021**

### **Delegate's report**

#### **NAC: AUSTRIA**

##### 1) Introduction

*Overview of activity*

##### 2) Sport in your country

*2021: Microlights Competitions-none-due to COVID 19 pandemy*

*For 2022: National Championship planned (postponed due to COVID 19 pandemy)*

##### 3) Regulatory and legal issues

*Since the end of 2012 there is a law and licence for all microlight classes, see below, it works well.*

##### 4) Statistics- Number of Microlight Pilots is rapidly increasing:

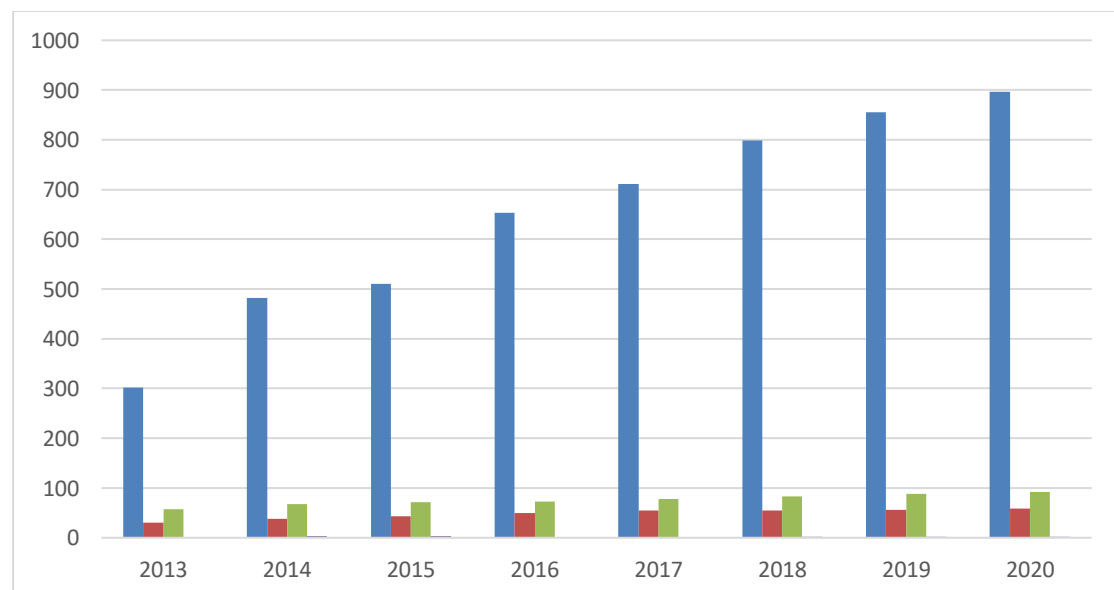

*UL/A=3axis*

*UL/T=Autogyro,*

*UL/G=Weightshift,*

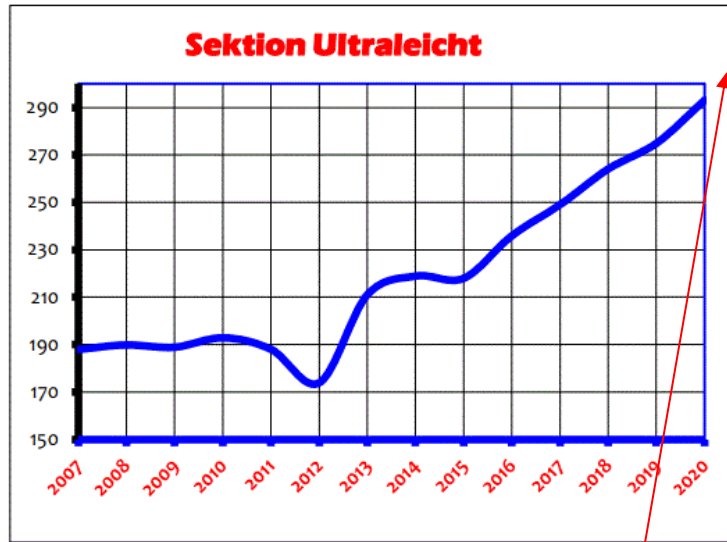

*UL/M=Paramotor more then 120kg MTOW*

##### ***Licenses***
