2. Matters arising.

None

3. Competitions

a) 11th WPC 2022 – Brazil

Presentation from Ricardo Maciel. Satisfactory response NACs. At present declaration from 11 countries and 76 pilots. Good experience with online trace of competitors using Flymaster.

b) 4th WPSC 2022 – **Czech Republic**

Presentation from Jana Bobkova. Planned dates September the 7-17. Open championship took place in CZE this year. Declaration to have ambulance on site. Request for helping with floating platform.

Organizer has been requested to update Local Regulation/Task catalogue to the newest release of S10 after the meeting.

c) Asian Beach Games 2023 – **China**

Games were again postponed to 2023.

d) 5th WPSC 2023 – **Spain**

Delegates voted between two preliminary bids:

- 7 votes = Spain in Bornos
- 3 votes = Poland in Przykona
- 1 abstaining

e) 7th EPC 2023 – **Belgium**

There is informal declaration from the country.

f) 1st World Paramotor Endurance Championship 2022 – **Great Britain**

Format promised to be similar to recent British National Championships in 2021

g) 12th WPC 2024

Kingdom of Saudi Arabia is not able to confirm a bid as the sport is banned by the king. As soon as the ban is released there is a keen team to organise the event.

h) 6th WPSC 2024

Four organisers expressed the intention to hold the World Paramotor Slalom Championship in 2024

- Poland in Przykona
- Brazil in newly build stadium
- Egypt
- France

i) further championships

Oman awaiting to be valid member of FAI soon declares to organise either classic or slalom competition, as soon as they are entitled to.

4. Paramotor Subcommittee agreed that due to a low interest in paramotor slaloms outside the Europe, the usual pattern to hold Continental Championship every second year interchanged

with World Championships shall be postponed, until a bid for first non-european continentals is delivered to CIMA.

5. S.10 Proposals

a) Proposal 1

Vote	For	Against	Abstain	Approved?
<i>Slalom scoring – A simplified layout of scoring/penalties for slalom competitions</i>	7	5	2	YES
