

## CIMA Plenary 2024

### Delegate's report

#### **NAC: Germany**

##### 1) Introduction

*Overview of activity since the last plenary meeting*

The national Microlight Championship could not be conducted because of too few participants. The reason for the few interests is widely unknown. For 2024 we have changed some requirements and terms, among others we changed the date from May to September. The next national microlight championship will happen from September 12th to 15th at the airport Saulgau, EDTU.

##### 2) Sport in our country in 2023

FAI CIMA records:

None.

##### 3) Regulatory and legal issues

*Changes to law or regulations*

None.

##### 4) Statistics

Microlight Registrations, December 31st, 2023, DAeC and DULV

4674 3-axis, new: +222

588 Gyrocopter, new: +10

8 Helicopter, new +6

Microlight Licenses, December 31st, 2023, DAeC and DULV

23254 3-axis, new: +1194

2062 Gyrocopter, new: +29

24 Helicopter, new: 0 (only DAeC)

5) Any other comments

The aviation federations are working on a testing program to make the use of autopilots legal for microlights.

February 14th, 2024

Michael Kania

Alternate Delegate Germany
