FUTURE

Possible amendmends:

- Categories: economy, navigation, precision, slalom (proposed in 2013) - to week frequency
 - ✓ No restriction on tasks type
 - ✓ FAI Cat I event included in WLC score by default
 - ✓ Qualification for WAG on WLC events
-

PLEASE PROMOTE

World League Cup is the idea which has only positive outcomes:

- international ranking
- sport event promotion
- pilot friendship
- creates small but still no nonsense revenue for CIMA (€50/event)

Every year there are about 300 competitions held within a similar format within CIVL. Lets follow that good model, and **promote World League Cup!**
