

Continental League Cup 2011

- project launched experimentally for 2011
- implemented in Europe (only)
- not valid according to the rules we created (though it was really close to succeed)
- despite being not valid, CLC project brought interesting results

Continental League Cup

basic rules

- a kind of ranking built over **existing** competitions (no new competitions to organize)
- organizer needs to:
 - declare competition as CLC event 45 days before
 - transfer equivalence of **one** entry fee to CIMA
 - upload results within 14 days after the event
- some minimum requirements for a valid event:
 - crews registered: PF1=10, PL1=7, PF2=4, PL2=4
 - foreign pilots: 20% (1 foreigner for each 5 crews)
 - tasks: 1 navigation, 1 precision, 1 economy

Continental League Cup

possible future amendments

- include Microlights in the project
- loose (or suspend) for one year some of requirements
- joining all continents together:
CLC ⇨ WLC
- logical step: include WPC, WMC, EPC, EMC
(Elective Teams are automatically active)
